

# Reintroducing Silhouette 1/4" Frameless Slider

## EURO HEADER & EURO TOWEL BAR NOW STANDARD

### Why Choose Agalite's Silhouette?

- Backed by Agalite's Lifetime Warranty
- By-Passing, one-piece European Towel Bar is now standard
- Rounded European Header is now standard
- An elegant, contemporary look
- Competitive everyday pricing
- 1/4" tempered safety glass
- High polish glass edgework

### Built To Last a Lifetime

The Silhouette's slider now comes standard with 1049 header and solid Euro Towel bar with full by-pass option. Roller brackets and towel bars are mechanically fastened through holes in the glass, providing a lifetime of worry free use. Clamp-on or friction fit methods used by other manufacturers cannot give you this level of safety.

#### **NOW STANDARD!** **Symmetrically Round Euro Header**

Part# 1049  
(Other manufacturers use half round/half flat design)

#### **Elegant solid Euro Towel bar with By-Pass Option (Below)**

Silhouette Shower Enclosure (Model SSE)  
Silver Finish, 1/4" Clear Glass, 70-1/2" Tall

### Catalog and Program Information

- All previously published Agalite Silhouette Slider or TTE/TSE promotional offers are discontinued effective January 4, 2015.
- Call Agalite's Customer Service Team or your Sales Representative today for the new Silhouette Price Pages (New Silhouette Tab included).
- Standard Euro Towel Bar parts may only support by-passing operation. Additional parts and charges may apply to convert to non-by-pass operation.
- Traditional 1040 Header and Classic (Accent) Towel Bar can be optioned at no additional charge.
